VISIT  
GLASGOW

An urban 'treasure hunt' searching out some of Glasgow's most notable sculptures, street murals and public works of art, which celebrate Glasgow's rich cultural heritage.

## ROUTE DESCRIPTION

From Queen Street Station, head south via George Square to join National Cycle Route 75 on the banks of the Clyde for a short loop out to the 'Squiggly Bridge', before heading back east along the riverbank to Glasgow Green.

The Green is home to The People's Palace – Glasgow's social history museum – and what is believed to be the world's largest Terracotta water fountain. Continue east along NCN75 to view The Hope Sculpture at Cuningar Loop, which celebrates Glasgow's hosting of COP26.

On your return via Carlton and Merchant City, you will pass several notable murals; a modern depiction of St Mungo, the Patron Saint and 'founder' of Glasgow; 'Fellow Glasgow Residents' which celebrates the wildlife and natural history of the city, and the 200 metres long 'Wonder Wall'; a tribute to the people of the University of Strathclyde, and their many achievements.
